

MODEL MIGI 504 B

Generator integrated with air compressor and pressure washer

ENGINE

potenza / power	HONDA 3000/RPM
carburante / fuel type	GX 270 / 9Hp
serbatoio / fuel tank	benzina / gasoline
consumo / fuel consumption	lt 5,3
accensione / starting system	lt/h 1,8
raffreddamento / cooling system	solo manuale / only manual starter
	aria forzata / forced air

GENERATOR

Alternatore / alternator	230V monofase / 230V 1Ph
Potenza prelevabile / available power	4,4 KVA 50Hz
Potenza prelevabile con servizio AUX	1,8 KVA
Available power with auxiliary unit operation	1,8KVA

COMPRESSOR

Compressore / air compressor	bicilindrico / two cylinder
Giri minuto / RPM	1420
Produzione aria / air production	lt/m 360 – m ³ /h 22
Pressione / max pressure	10 bar - PSI 145
Serbatoio interno / internal tank	15 lt in alluminio / lt 15 aluminum tank

PRESSURE WASHER

Pompa / pump	alta pressione / high pressure
pistoni / pistons	in ceramica / ceramic
pressione / pressure	140 bar / 2030 PSI
Produzione acqua / water production	lt/h 660
Giri minuto / RPM	1450

GENERAL FEATURES

dimensioni / dimension	LxPxH (mm) 950x650xh980
peso / weight	kg 170 accensione manuale / kg 170 manual starter
livello rumorosità / noise level	LWA 97 dB
classe di protezione / insulation class	IP 23

OPTIONS

Engine	GX 390 / 11,5 Hp (MIGI 504 H)
Potenza elettrica / electrical power	KVA 6,5 Hz50 230V
peso / weight	kg 180 accensione manuale / kg 180 manual starter

ACCESSORIES:

Base gun with quick coupling hose R1 I. 10 ml. 900 mm

lance with fixed nozzle

OPTIONS

Stainless steel lance 900 mm with quick coupling -

rotating nozzle

15 meters hose with quick coupling - pipe cleaning
